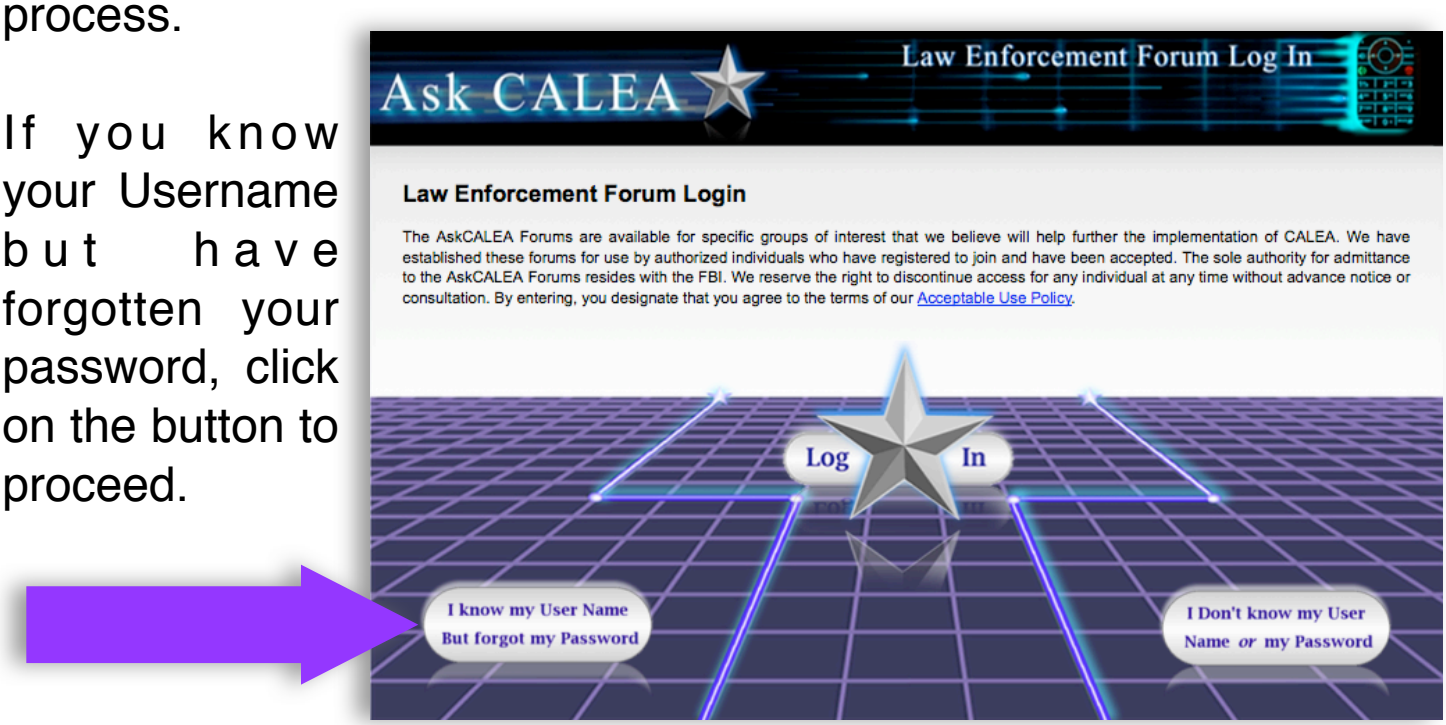
Membership to the AskCALEA Law Enforcement Forum is available to authorized individuals by registration and acceptance. The sole authority for admittance to any restricted access forum resides solely with the FBI. We reserve the right to discontinue access for any individual at any time without advance notice or consultation.

STEP 1

For security reasons, Username and Password requests require the Web Team to cross check and authenticate your membership status and are not automatic. Processing may take 24 to 48 hours to process.

If you know your Username but have forgotten your password, click on the button to proceed.



STEP 2 Password Help Desk 703-349-5871

Fill in the Username and your official Email address in the fields provided.

The Security Code ***you*** create should be thought of as a "key" that will allow you to access your Temporary Password once we send it to you in the "Password Reset" email.
You should keep your Security Code in a safe place for access.

STEP 3

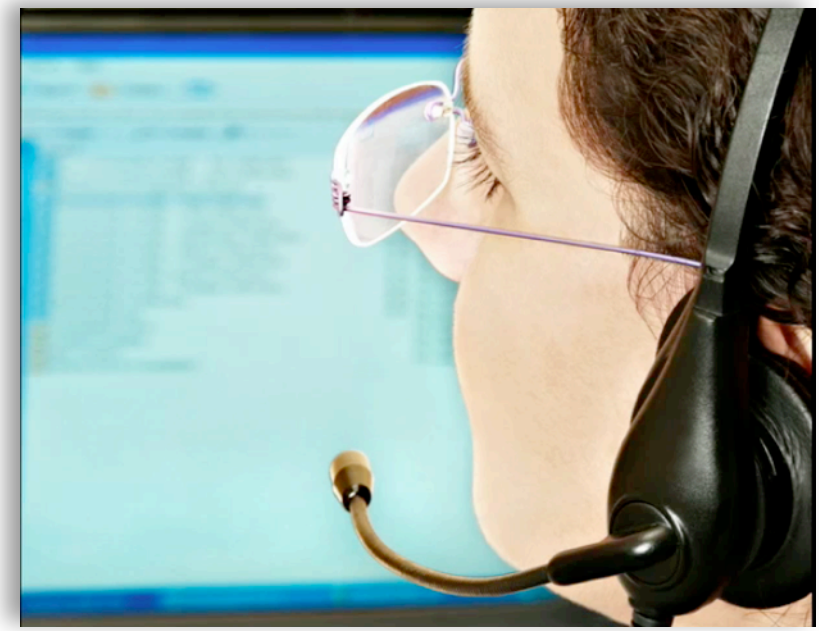
The verification process can take anywhere from **24 to 48 hours**, depending upon the accuracy of the information you provide on the Password Change form.



Email addresses not matching your official one on file will delay processing and may result in rejection of your request.

STEP 4

Once your registration information is confirmed, validated, and approved, your Username and Password will be created but *WILL NOT* be sent to you directly.
