

Membership to the AskCALEA Law Enforcement Forum is available to authorized individuals by registration and acceptance. The sole authority for admittance to any restricted access forum resides solely with the FBI. We reserve the right to discontinue access for any individual at any time without advance notice or consultation.

STEP 1

For security reasons, Username and Password requests require the Web Team to cross check and authenticate your membership status and are not automatic. Processing may take 24 to 48 hours to process.

If you don't know your Username *or* your Password, click on the button to proceed.

STEP 2 Password Help Desk 703-349-5871

Fill in all fields accurately - paying particular attention to your Security Code.

Ask CALEA Law Enforcement Forum Log In

NOTICE: If you have not accessed your account in over six months, you may have been placed in an inactive state and consequently purged. If this is the case, you will be asked to re-register. All **bold** fields are required.

Reinstatements are not automatic and may take **24 hours to process**.

Title: **First Name:** **Last Name:** **Organization:**

Phone: **Extension:** **Mobile:** **Email:**

Please create a Security Code at least eight alpha-numeric characters in length (i.e. mapleleaf91). **IMPORTANT:** Pending the confirmation of your membership, you will be receiving an email containing a URL link to your LEF Username and Password. This Security Code is your key to access that link. Please retain it in a secure location.

Security Code:

The Security Code *you* create should be thought of as a “key” that will allow you to access your Temporary Password once we send it to you in the “Password Reset” email. You should keep your Security Code in a safe place for access.

STEP 3

Registration Help Desk 703-349-5871

The verification process can take anywhere from **24 to 48 hours**, depending upon the accuracy of the information you provide on the Password Change form.

Email addresses not matching your official one on file will delay processing and may result in rejection of your request.

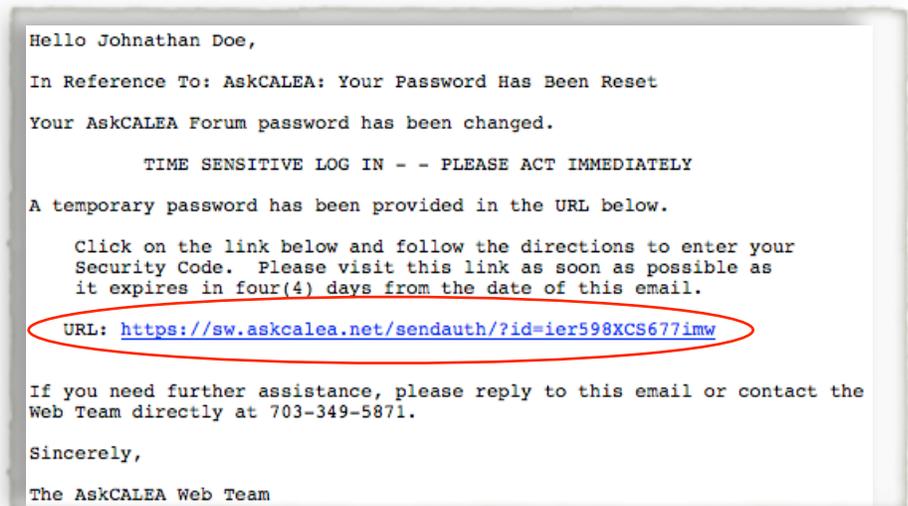

STEP 4

Once your registration information is confirmed, validated, and approved, your Username and Password will be created but **WILL NOT** be sent to you directly.

Instead, you will be sent a time sensitive, “Welcome “ email containing a URL link.

You only have five (5) days to access this link or it will expire and you will **not** be able to access your user name and password.

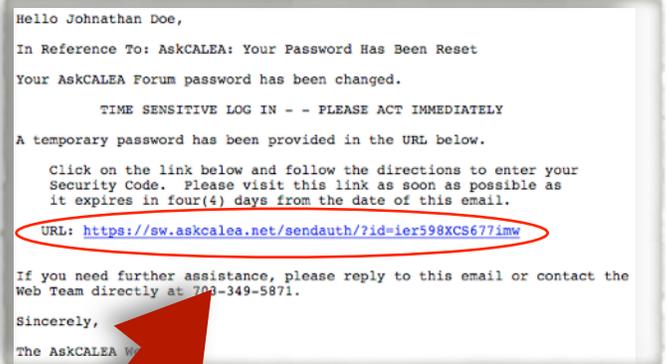

NOTE: If you are attending a training, TDY, vacation, or plan to be away from your official work email access for more than five days, please wait to request a new password until your return.

STEP 5

Clicking on the link will open the Send Authorization window and prompt you to enter your Security Code

SendAuth Mon Dec 7 17:13:05 2009

Welcome

Confirm:

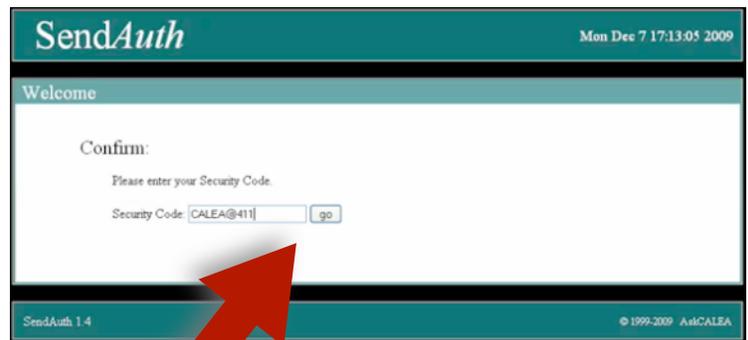

Please enter your Security Code.

Security Code:

SendAuth 1.4 © 1999-2009 AskCALEA

STEP 6

Successfully entering your Security Code will open the information containing your Temporary Password, important next steps, and URL Link.

1. Be sure to record and store your Username & Password in a secure location **before** closing this window.

2. Click "Continue"

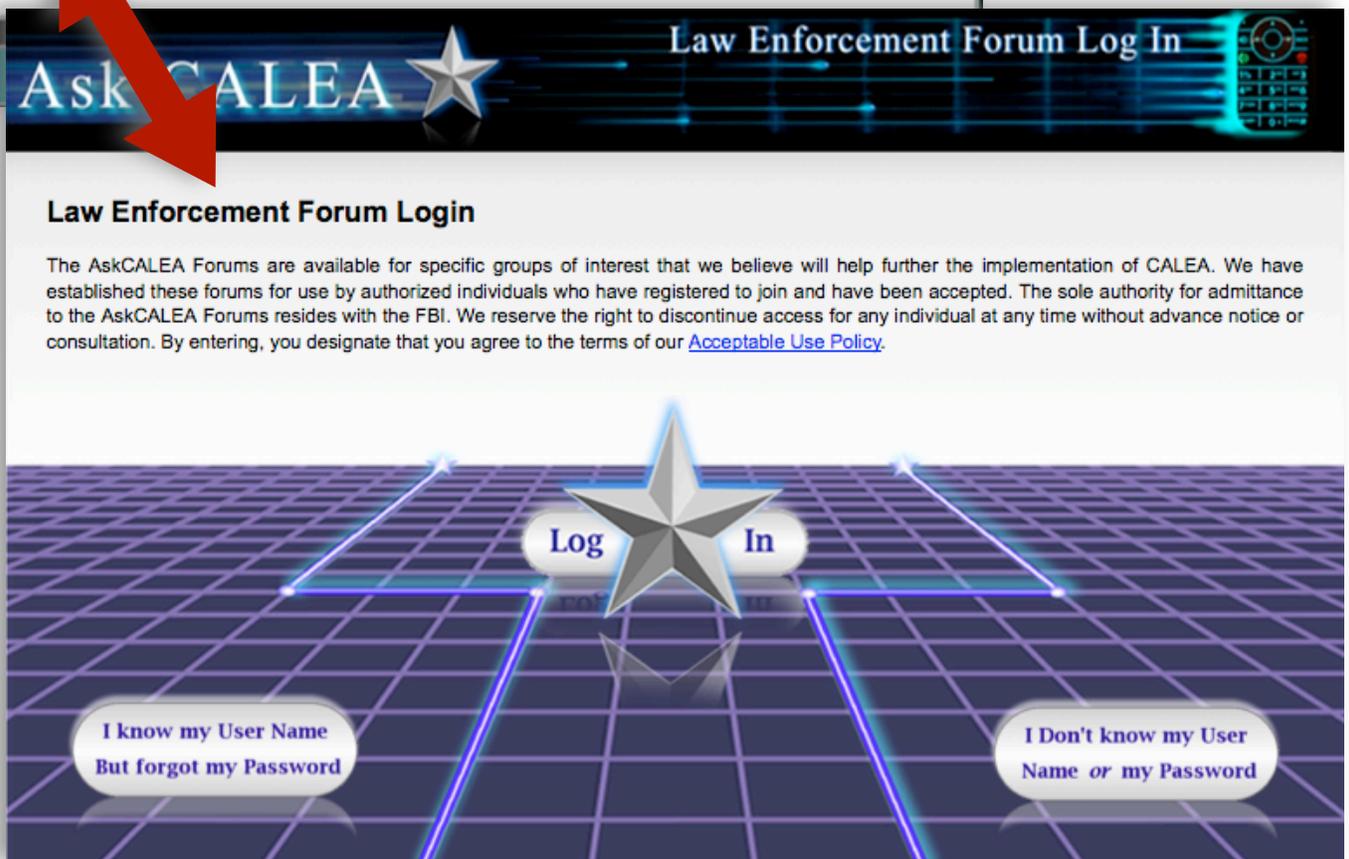

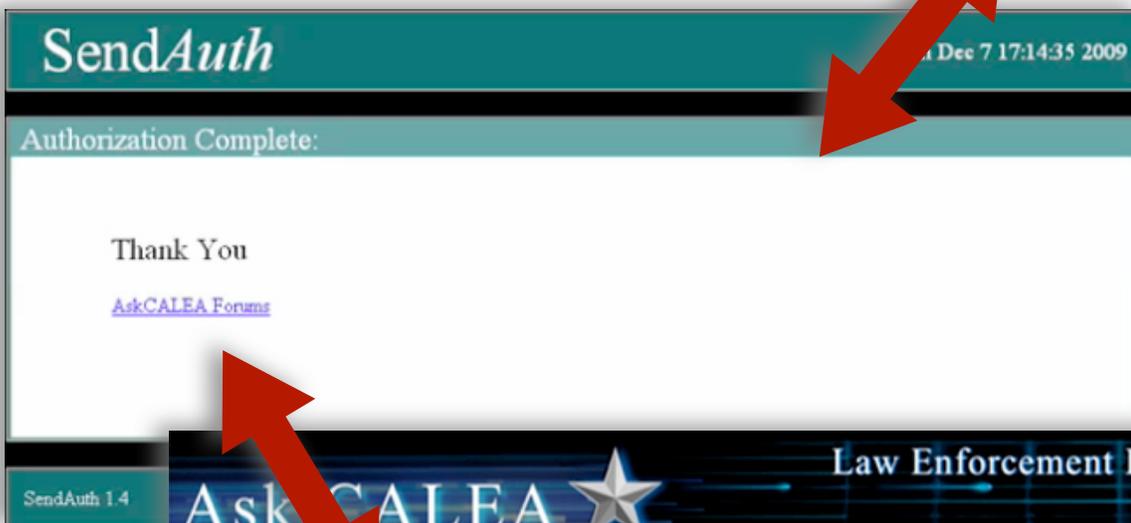

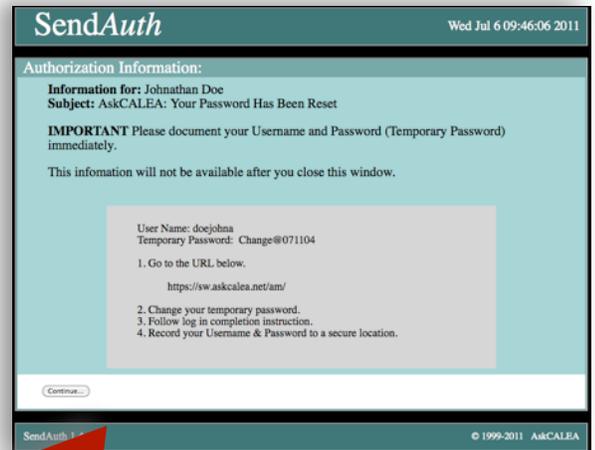

IMPORTANT!

Once this window closes, you will not be able to open it again.

Registration Help Desk 703-349-5871

STEP 7

To complete the validation process, click the [AskCALEA Forums](#) “Hot-link” provided. You will be taken to the Forums Log in page.

STEP 8

Click on the star to log in with your Username & Temporary Password.

Once you have logged in, you **MUST** generate a permanent Password. Click on the "Change My Password" link.

STEP 9

Type in your Username and Temporary Password, then following the format rules in the left text box, create a permanent password and type it in twice.

A screenshot of the "Secure Forums Access Manager" page. The header includes the AskCALEA logo and the text "Secure Forums Access Manager". Below the header, there are navigation links: "Generate Password", "Lost Password?", "Help", "Forums Login", and "Start Over". The main content area is divided into two sections. On the left, there is a text box with the following rules for password creation:

Follow these rules when deciding your new password;

1. Contain no spaces.
2. Be between 8 and 14 characters long.
3. Contain four character sets; lowercase, uppercase, digits, and control characters.
4. Contain no more than three contiguous characters (i.e. 1234, abcd)
5. Words in the dictionary are allowed.

If you would like your new password to be generated by this program

On the right, there are four input fields: "Username:", "Password:", "New Password:", and "Re-type Password:". Below these fields is a "Change Password" button. At the bottom of the page, there is a link: "Return to main site - www.askcalea.net".

Keep in mind that Passwords are case-sensitive. Click "Change Password" below and follow the last steps.

Retain your new Password in a secure location.
